Dear Hiring Manager,

I am an Electrical Engineer with experience in electrical maintenance, HT/LT motor maintenance, switchgear operation, testing, and troubleshooting in industrial and power plant environments. I am interested in contributing my technical skills and practical experience to your organization.

In my current role, I perform maintenance and troubleshooting of HT/LT motors, transformers, electrical panels, switchgear, and power distribution systems. I am also experienced in insulation resistance testing, PI testing, winding resistance testing, preventive maintenance, and breakdown analysis to ensure reliable plant operations.

My strong technical knowledge, problem-solving ability, and commitment to safety enable me to improve equipment reliability, reduce downtime, and support efficient plant operations. I am eager to learn, grow professionally, and contribute to the success of your organization.

Thank you for your time and consideration. I look forward to discussing my qualifications further.

Sincerely,

RAJAL BAGHEL
