COVER LETTER

Subject: Application for Electrical Maintenance Trainee / Engineer Position

Dear Hiring Manager,

I am writing to express my interest in the Electrical Maintenance Trainee / Engineer position in your organization. I have completed my Bachelor of Engineering in Electrical and Electronics Engineering and am looking for an opportunity to begin my career in the electrical maintenance field.

I am interested in learning about electrical maintenance, industrial electrical systems, motor control circuits, troubleshooting, preventive maintenance, and industrial automation. I am eager to develop my technical knowledge and gain practical experience by working with experienced engineers and technicians.

As a fresher, I am willing to learn new technologies, take on responsibilities, and contribute to the organization's goals. I am hardworking, adaptable, and committed to improving my technical skills while following workplace safety procedures.

I would appreciate the opportunity to attend an interview and demonstrate my interest and willingness to learn. Thank you for considering my application. I look forward to hearing from you.

Yours sincerely,

Amudhan Sakthivel
B.E. Electrical and Electronics Engineering
